

RAMONA MIDDLE SCHOOL 6TH GRADE ELECTIVE CHOICES

Ramona Middle School understands that choosing an elective is exciting for our incoming 6th grade students. Although we would like students to have their first choice of elective this is not always possible due to availability or scheduling conflicts. For these reasons, you will need to select your first, second, and third choice of electives in the appropriate fields when registering online. *To make online registration easier, you will need to have your student's 9-digit Student ID number at the time registration is available (the same number used for AR Reading).* On April 21st at 8:00pm, full course descriptions and a link to the online registration will be available at our website, ramonavikings.com.
