

Paper Education Online Tutoring

Paper Education is a Live chat-based tutoring program. In Bonita USD it is available for all students grade 3 and above. It allows students to engage with tutors 24/7 in a chat-based environment in all content areas. It is available in English and Spanish.

To access Paper Education students will log into Clever at <https://clever.com/in/busd> locate the Paper Education icon.

Follow prompts in Paper Application. It will ask the student to create a password, the password will be used if the student accesses Paper from the Paper App on a phone or tablet.
